WE defend no illegal acts by the People or their Rulers. The Past is matter of history. Its errors serve only to warn against their repetitions. In an article of last week we stated the mode in which this nation emerged from its primitive absolute form of Government, through the Bill of Rights and the Constitutions of 1840 and 1852, to that of 1864, with the grounds on which the proceedings in 1864 were based, as a matter of history.
